

WHAT IS THE PARENT INVOLVEMENT PLAN?

What is it? This is a plan that describes how Hill City Elementary School will provide opportunities to improve parent engagement to support student learning. Hill City Elementary values the contributions and involvement of parents in order to establish an equal partnership for the common goal of improving student achievement and of creating opportunities for parents to participate in activities and events to promote student learning at school and at home.

How is it developed/revised? Hill City Elementary School welcomes parent input and comments at any time regarding this plan, as well as the Title I School-wide Plan. Parent input forms will be available to all parents of students enrolled in Hill City Elementary to involve parents in the development of this plan, the district plan, the Schoolwide Plan, and the use of parent involvement funds. All parent feedback will be considered in the revision of all plans. The plans will go home with all students at the beginning of the school year. This Parent Involvement Plan (PIP) is posted on our school website for parents to view and send feedback throughout the year. We also distribute an annual survey asking parents for their review of our Title I Program, as well as all plans. This survey helps to guide how our parent involvement funds are spent. Parents can also give feedback during our annual Pickens County Parent Action Committee meetings.

Who is it for? All students participating in the Title I, Part A Program and their families are both encouraged and invited to fully participate in the opportunities described in this PIP. Hill City Elementary will provide full opportunity for the participation of parents with limited English skills, parents with disabilities, and parents of migratory children.

Where is it available? At the beginning of the year, the PIP will be sent home with students in their Title I packets, posted on the school website, available at all schools, available at Title I Meetings, annual Title I events, and at the Pickens County Parent Action Committee meetings.

What is Title I?

Hill City Elementary School is identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I Programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement plan.

2016-17 District Goals

The Board of Education sets goals for the entire district. The district goal for 2016-2017 is to raise student achievement as reflected in a 3% increase in CCRPI scores.

The compact explains how parents and teachers will work together to help all students in achieving grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers using letters to be sent home, meetings, and the school website.
