

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that families can use at home
- Explain how parents and teachers can communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students and staff of HCES developed this School-Parent Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.

Parents are welcome to contribute suggestions at any time.

If you would like to volunteer or participate, please call or email principal Jennifer Halko at jenniferhalko@pickenscountyschools.org

Communication about Student Learning

HCES is committed to frequent two-way communication with families about student learning and success. Some of the ways you can expect us to reach you are...

- Newsletters
- Notes sent home
- Parent Teacher Conferences
- Progress Reports/Report Cards
- Current grades and attendance in Infinite Campus
- Webpages for teachers/grade level
- Social Media
- School website

To make an appointment with your child's teacher, contact the teacher by phone (706) 253-1880 or email.

teachersname@pickenscountyschools.org

Building Partnerships

Hill City Elementary School offers many opportunities for parents, teachers, and students to build partnerships throughout the school year.

Such opportunities include:

- Open House
- Annual Title I Meeting
- Volunteering
- Parent-Teacher Conferences
- Parent Academy Nights

Hill City Elementary School

2022-2023 School-Parent Compact

Jasper, GA 30143
(706) 253-1880

<http://hillcityele.pickens.k12.ga.us/>

Revised September 16, 2022

Reading

Target:
Students will identify letter names and letter sounds

As a school, we will...

- Teachers will provide families with letter flash cards to use at home
- Teachers will provide families with internet resources and songs to support letter recognition and sounds

As a parent, I will...

- Use the letter flashcards to play games with my child to practice letter recognition
- Allow time for my child to use the resources provided and sing songs with my child

As a student, I will...

- Practice letter names and sounds with the flash cards
- Use computer resources to improve my learning

2022-2023 District Goals

To increase student achievement as reflected on CCRPI by 3% of the gap each year from the baseline year per the Strategic Waiver.

2022-2023 School Goals

Reading

Increase the percentage of students performing at proficient or above on the Georgia Milestones Assessment by 3%, which means an increase from 40% to 43%.

Math

Increase the percentage of students performing at proficient or above on the Georgia Milestones Assessment by 3%, which means an increase from 49% to 52%.

SCHOOL SYSTEM RESOURCES

Do you need to check your child's grades? If so, email:
parentportal@pickenscountyschools.org

Do you need resources to help you with your child's work? If so, visit:
<http://bit.ly/HCESparents>

Have you moved or changed your phone number? Call Central Registration to update 706-253-1770

Math

Target:
Students will be able to count in order (rote counting) to 100, forward and backward, from any number, 0 to 20.

As a school, we will...

- Teachers will provide parents with counting songs and number games to use at home
- Teachers will provide number lines and handouts explaining how to use the number line to count

As a parent, I will...

- Play games and sing counting songs with my child
- Use the number lines and handouts to help my child learn to count forward and backward

As a student, I will...

- Practice counting by singing the songs and play games with my family
- Practice counting using the number lines at home

What is a School-Parent Compact?

Revised September 16, 2022

Reading

Target: Students will recognize a minimum of 200 sight words and increase oral reading fluency to a level L in Fountas and Pinnell

As a school, we will...

- Teachers will provide tips for improving sight word recognition and fluency in weekly newsletters
- Teachers will provide a list of sight words to be used for review at home

As a parent, I will...

- Use the tips provided in newsletters to work with my child
- Practice reading sight words with my child at home

As a student, I will...

- Use tips shared by parents from the newsletter
- Practice reading sight words at home

Math

Target: Students will be able to demonstrate fact fluency for addition and subtraction to 20, including fluent use of mental math strategies

As a school, we will...

- Teachers will provide parents with an explanation of mental math strategies taught at school
- Teachers will share parent and kid-friendly tips and strategies for developing addition and subtraction fact fluency

As a parent, I will...

- Review mental math strategies at home
- Share tips and strategies for addition and subtraction fluency at home with my child

As a student, I will...

- Practice math skills using mental math strategies at home
- Use tips and strategies for adding and subtracting when at home

Revised September 16, 2022

Reading

Target: Students will increase oral reading fluency and comprehension, and write in complete sentences

As a school, we will...

- Teachers will send home examples of complete sentences along with ideas for practicing writing at home
- Teachers will send home strategies to improve reading fluency and comprehension

As a parent, I will...

- Assist my child in writing complete sentences using the examples and ideas sent home
- Use strategies provided to improve reading and comprehension

As a student, I will...

- Practice writing complete sentences at home
- Read every day and use strategies to improve fluency

Math

Target: Students will be able to demonstrate fact fluency for addition and subtraction, and an understanding of base ten notation.

As a school, we will...

- Teachers will provide parents with an explanation of strategies and math models taught at school
- Teachers will send home fact fluency practice ideas and website resources in newsletters

As a parent, I will...

- Review math models and strategies provided by the teacher
- Assist my child and allow time for my child to practice math facts using websites and resources in newsletters

As a student, I will...

- Use strategies and math models to practice math skills at home and to complete assignments with family
- Use the resources and websites provided by my teacher while at home

¿Qué es un pacto escuela-padres?

Nuestro pacto anual entre la escuela y los padres ofrece formas en que podemos trabajar juntos para ayudar a nuestros estudiantes a tener éxito. Este pacto proporciona estrategias para ayudar a conectar el aprendizaje en la escuela y en el hogar.

Pactos efectivos:

- Enlace a metas de logro académico
- Centrarse en el aprendizaje del alumno.
- Compartir estrategias que las familias puedan usar en casa
- Explicar cómo los padres y los maestros pueden comunicarse sobre el progreso del estudiante.
- Describa oportunidades para que los padres sean voluntarios, observen y participen en el salón de clases.

Desarrollado conjuntamente

Los padres, estudiantes y el personal de HCES desarrollaron este Compacto Escuela-Padre. Los maestros sugirieron estrategias de aprendizaje en el hogar, los padres agregaron ideas para hacerlos más específicos y los estudiantes nos dijeron qué les ayudaría a aprender. Las reuniones se llevan a cabo cada año para revisar el Pacto y hacer cambios basados en las necesidades de los estudiantes. Los padres pueden contribuir sugerencias en cualquier momento.

Si desea ser voluntario o participar, llame o envíe un correo electrónico a la directora Jennifer Halko a jenniferhalko@pickenscountyschools.org

Comunicación sobre el aprendizaje del alumno

HCES se compromete a una comunicación bidireccional frecuente con las familias sobre el aprendizaje y el éxito de los estudiantes. Algunas de las formas en que puede esperar que lo contactemos son ...

- ▮ Boletines
- ▮ Notas enviadas a casa
- ▮ Conferencias de padres y maestros
- ▮ Informes de progreso / Boletas de calificaciones
- ▮ Calificaciones actuales y asistencia en Infinite Campus
- ▮ Páginas web para maestros / grado
- ▮ Redes sociales
- ▮ Sitio web de la escuela

Para hacer una cita con el maestro de su hijo, comuníquese con el maestro por teléfono (706) 253-1880 o correo electrónico. teachername@pickenscountyschools.org

Construyendo Alianzas

La Escuela Primaria Hill City ofrece muchas oportunidades para padres, maestros y estudiantes para construir asociaciones durante todo el año escolar.

Dichas oportunidades incluyen:

- Casa abierta
- Reunión anual de Título I
- Trabajar como voluntario
- Conferencias de padres y profesores
- Noches de Academia para padres

Revised September 16, 2022

Leyendo

Objetivo: los estudiantes podrán determinar el tema y la idea principal al leer, y podrán ubicar evidencia textual y usar la evidencia para responder preguntas

Como escuela, nosotros ...

- Los maestros enviarán a casa una explicación simple de lo que significa evidencia textual, cómo ubicar evidencia textual por escrito y ejemplos de formas en que los estudiantes pueden practicar en casa
- Los maestros compartirán explicaciones del tema y la idea principal, junto con ejemplos de cómo identificar esas piezas en las historias.
- Los maestros proporcionarán recursos del sitio web en boletines para apoyar los objetivos de aprendizaje en ELA

Como padre, yo ...

- Revisar muestras y explicaciones con mi hijo y practicar la ubicación de evidencia textual
- Ayudar a mi hijo a identificar el tema y la idea principal en las historias que leemos en casa

- Permitirle a mi hijo tiempo para acceder a los recursos provistos en boletines informativos en casa

Como estudiante, yo ...

- Practique el uso de recursos en el hogar.
- Identificar el tema y la idea principal en las historias leídas en casa.
- Usa los recursos del boletín

Metas del Distrito 2022-2023

Para aumentar el rendimiento de los estudiantes como se refleja en CCRPI en un 3% de la brecha cada año desde el año de referencia por la Exención Estratégica.

Metas escolares 2022-2023

Leyendo

Aumentar en un 3% el porcentaje de estudiantes con un rendimiento competente o superior en la Evaluación de hitos de Georgia, lo que significa un aumento del 40% al 43%.

Matemáticas

Aumentar en un 3% el porcentaje de estudiantes con un rendimiento competente o superior en la Evaluación de hitos de Georgia, lo que significa un aumento del 49% al 52%.

Matemáticas

Objetivo: Los estudiantes podrán demostrar fluidez en la multiplicación y división.

Como escuela, nosotros ...

- Los maestros proporcionarán problemas de matemática en espiral para su revisión junto con explicaciones para los padres en la resolución de problemas.

- Los maestros compartirán cuadernos interactivos, recursos (incluidos sitios web), tarjetas de fluidez y rimas con los padres para practicar en casa con los estudiantes.

Como padre, yo ...

- Ayudar a mi hijo a completar problemas de matemáticas en espiral en el hogar junto con revisar las explicaciones proporcionadas por los maestros.

- Permitir que el niño acceda y use estrategias y recursos para practicar datos matemáticos en casa

Como estudiante, yo ...

- Practique problemas matemáticos espirales en casa y hable con la familia
- Use recursos y estrategias para practicar datos matemáticos.

- Revisar palabras clave, ejemplos de problemas y soluciones, y practicar la resolución de problemas de palabras con mi hijo

Como estudiante, yo ...

- Use estrategias y explicaciones para completar los problemas de matemáticas en el hogar.
- Use los recursos del sitio web en el boletín para practicar habilidades matemáticas
- Resolver problemas de palabras en casa usando palabras clave y ejemplos de soluciones para asistencia.

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that families can use at home
- Explain how parents and teachers can communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students and staff of HCES developed this School-Parent Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.

Parents are welcome to contribute suggestions at any time.

If you would like to volunteer or participate, please call or email principal Jennifer Halko at jenniferhalko@pickenscountyschools.org

Communication about Student Learning

HCES is committed to frequent two-way communication with families about student learning and success. Some of the ways you can expect us to reach you are...

- Newsletters
- Notes sent home
- Parent Teacher Conferences
- Progress Reports/Report Cards
- Current grades and attendance in Infinite Campus
- Webpages for teachers/grade level
- Social Media
- School website

To make an appointment with your child's teacher, contact the teacher by phone (706) 253-1880 or email.

teachersname@pickenscountyschools.org

Building Partnerships

Hill City Elementary School offers many opportunities for parents, teachers, and students to build partnerships throughout the school year.

Such opportunities include:

Revised September 16, 2022

Reading

Target: Students will increase oral reading fluency and comprehension, and be able to cite textual evidence and use the evidence to answer questions

As a school, we will...

- Teachers will send home a simple explanation of what textual evidence means, how to cite textual evidence in writing, and examples of ways students can practice at home
- Teachers will send home via newsletters, strategies and ideas to improve reading fluency and comprehension

As a parent, I will...

- Review and practice with my child how to cite textual evidence
- Utilize strategies provided in newsletters to improve reading fluency and comprehension

As a student, I will...

- Practice with family using explanations sent home by teachers about citing textual evidence
- Read books with family and use strategies and ideas to improve reading fluency

2022-2023 District Goals

To increase student achievement as reflected on CCRPI by 3% of the gap each year from the baseline year per the Strategic Waiver.

2022-2023 School Goals

Reading

Increase the percentage of students performing at proficient or above on the Georgia Milestones Assessment by 3%, which means an increase from 40% to 43%.

Math

Increase the percentage of students performing at proficient or above on the Georgia Milestones Assessment by 3%, which means an increase from 49% to 52%.

Math

Target: Students will be able to demonstrate fact fluency and use key words in a word problem to solve the problem

As a school, we will...

- Teachers will provide parents with an explanation of strategies and concepts taught in math
- Teachers will send home fact fluency practice ideas and website resources in newsletters
- Teachers will send home a list of key words and their meanings for solving word problems along with example problems and solutions

As a parent, I will...

- Review explanations and strategies taught in class with my child
- Practice math facts with my child and allow time to access website resources sent home in newsletters
- Review key words, sample problems and solutions, and practice solving word problems with my child

As a student, I will...

- Use strategies and explanations to complete math problems at home
- Use website resources in newsletter to practice math skills
- Solve word problems at home using key words and sample solutions for assistance

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that families can use at home
- Explain how parents and teachers can communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students and staff of HCES developed this School-Parent Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.

Parents are welcome to contribute suggestions at any time.

If you would like to volunteer or participate, please call or email principal Jennifer Halko at jenniferhalko@pickenscountyschools.org

Communication about Student Learning

HCES is committed to frequent two-way communication with families about student learning and success. Some of the ways you can expect us to reach you are...

- Newsletters
- Notes sent home
- Parent Teacher Conferences
- Progress Reports/Report Cards
- Current grades and attendance in Infinite Campus
- Webpages for teachers/grade level
- Social Media
- School website

To make an appointment with your child's teacher, contact the teacher by phone (706) 253-1880 or email.

teachersname@pickenscountyschools.org

Building Partnerships

Hill City Elementary School offers many opportunities for parents, teachers, and students to build partnerships throughout the school year.

Such opportunities include:

- Open House
- Annual Title I Meeting
- Volunteering
- Parent-Teacher Conferences
- Parent Academy Nights

Hill City Elementary School

2022-2023 School-Parent Compact

GRADE: Fourth

**Focus for Student
Success**

Revised September 16, 2022

Reading

Target: Students will be able to determine theme and main idea when reading, and be able to site textual evidence and use the evidence to answer questions

As a school, we will...

- Teachers will send home a simple explanation of what textual evidence means, how to site textual evidence in writing, and examples of ways students can practice at home
- Teachers will share explanations of theme and main idea, along with examples of how to identify those pieces in stories

As a parent, I will...

- Review samples and explanations with my child and practice siting textual evidence
- Help my child identify theme and main idea in stories we read at home
- Allow my child time to access resources used in classroom at home

As a student, I will...

- Practice using resources at home
- Identify theme and main idea in stories read at home
- Use classroom resources at home

2022-2023 District Goals

To increase student achievement as reflected on CCRPI by 3% of the gap each year from the baseline year per the Strategic Waiver.

2022-2023 School Goals

Reading

Increase the percentage of students performing at proficient or above on the Georgia Milestones Assessment by 3%, which means an increase from 40% to 43%.

Math

Increase the percentage of students performing at proficient or above on the Georgia Milestones Assessment by 3%, which means an increase from 49% to 52%.

SCHOOL SYSTEM RESOURCES

Do you need to check your child's grades? If so, email: parentportal@pickenscountyschools.org

Math

Target: Students will be able to demonstrate fact fluency in multiplication and division

As a school, we will...

- Teachers will provide spiral math problems for review along with explanations for families in solving problems
- Teachers will share interactive notebooks, resources (including websites), fact fluency cards with parents for practice at home with students

As a parent, I will...

- Assist my child in completing spiraled math problems at home along with reviewing explanations provided by teachers
- Allow child to access and use strategies and resources to practice math facts at home

As a student, I will...

- Practice spiral math problems at home and discuss with family
- Use resources and strategies to practice math facts
