

2nd Grade CAMP Choice Board for Weeks 5-7

- Please email **all** CAMP teachers when the choice board is **complete**. Include your child(ren)'s **full name, grade,** and **homeroom**. One email, per household, will do.
- We LOVE receiving photos & videos of the kiddo's work, but it's **not required**. We miss all of our students and love responding to the ones we do receive.
- **CAMP teachers are available to answer questions via email or ClassDojo between 8:30-3:30 Monday - Friday.**

Not sticky and super fun to play with. Tons of entertainment for \$2 total. Food coloring is optional.</p>	<p style="text-align: center;">WEEK 5</p> <p>Learn offline: Engineering (STEM): Create a building out of a paper bag. Incorporate architectural elements with paper & glue or by drawing onto the surface of the bag. Learn more at https://www.geauxbreaux.com/stem/activity2 Please take a photo and email it to suzannehardison@pickenscountyschools.org to post on our school's Facebook page. We could win a 3D printer for Hill City! OR Online learning: Watch the video, "Marshmallow Blaster," on Design Squad Global at PBS Kids. You may want to build one! https://pbskids.org/designsquad/video/</p>
<p style="text-align: center;">WEEK 6 (4/27-5/1) Flip a Coin Workout</p> <p>Flip a coin and follow the chart below. Complete 8 rounds 2x.</p> <p>Round 1: Heads- 10 Jumping Jacks Tails- 10 Push-ups</p> <p>Round 2: Heads- 10 Toe Touches Tails- 10 Calf Raises</p> <p>Round 3: Heads- 10 Arm Circles Tails- 10 Body Squats</p> <p>Round 4: Heads- Hop on One Foot 10x Tails- 10 Dance Moves</p> <p>Round 5: Heads- Plank (hold 30 sec) Tails- Jog in place (30 sec)</p> <p>Round 6: Heads- Jump Rope (30 sec) Tails- 10 Sit-Ups</p> <p>Round 7: Heads- 10 Frog Jumps Tails- 10 Air Punches</p> <p>Round 8: Heads- You pick the exercise Tails- Dance for 30 sec</p>	<p style="text-align: center;">WEEK 6 Music Tic-Tac-Toe (see attached) Continue completing the tic-tac-toe board.</p> <p>**Bonus Activity (not required): Listen to this choir (a group of singers) perform "Somewhere Over the Rainbow" virtually after their concert was canceled. Pay attention to the many different parts sung with high/low notes. This is called harmony! https://www.youtube.com/watch?v=kAMT-6pGVns</p>	<p style="text-align: center;">WEEK 6 Found Object Color Wheel</p> <p>1) View the video playlist here https://www.youtube.com/playlist?list=PLiBH5DB2nLHUJUNWNPXcSCfY4g2JRBgdO 2) Create a color wheel using a variety of objects that you find around your house.</p>  <p>3) Take a photo and send it to Ms. Tipton via Class Dojo or email. **Bonus (before you start): Watch How to Photograph Your Art by Sketchbook Skool (video and photos are not required.)</p>	<p style="text-align: center;">WEEK 6 Garden Art (Rock Painting)</p> <p>1) Gather smooth stones from around the yard or creek. 2) Use water-based acrylic paint to paint them to look any way you want. 3) Place them in your home flower garden, or place them in the agriculture tub located at the front entrance to the school, and I will place them in the school flower garden.</p> 	<p style="text-align: center;">WEEK 6</p> <p>Learn offline: Engineering (STEM): Draw an architectural floor plan of your dream home or bedroom. Show us how the furniture will be organized & provide proportionate dimensions of space. Learn more at https://www.geauxbreaux.com/stem/activity3 Please take a photo and email it to suzannehardison@pickenscountyschools.org to post on our school's Facebook page. We could win a 3D printer for Hill City! OR Online learning: Watch the video, "How Does Velcro Work?" on Design Squad Global at PBS Kids. https://pbskids.org/designsquad/video/</p>

WEEK 7 (5/4-5/8)**Fitness Dice Activity**

Directions: Start by rolling two dice. Count the numbered spots on the dice and complete the activity listed below. Roll the dice again to determine how many times you need to perform the activity. Play Fitness Dice with family and friends for 15 to 20 minutes each time you play.

- 2- Sit-Ups
- 3- Jumping Jacks
- 4- Arm Circles
- 5- Push-Ups
- 6- Body Squats
- 7- Balance on one leg
- 8- Plank Holds
- 9- Jog in Place
- 10- Calf Raises
- 11- Toe Touches
- 12- Air Punches

Play as much and as many times as you want!

WEEK 7

~Nature's Orchestra: With an adult, sit outside for 5 minutes and listen to the music nature creates. Listen to the sounds around you (animals or cars for example). Draw what is creating the sounds and decide if they make high/low sounds and if their dynamic (the volume) is piano (quiet) or forte (loud).
~If you have internet access, do this fun clapping activity! It will start out largo (slow) and end presto (fast)!

<https://www.youtube.com/watch?v=aXZWgOf2ISA&feature=youtu.be>

WEEK 7**Recreate A Famous Work of Art**

1) View the video playlist here 
<https://www.youtube.com/playlist?list=PLiBH5DB2nLHWuPVg4uXy0OTw9u61vihu>

3) Take a photo and send it to Ms. Tipton via Class Dojo or email.

**Bonus (before you start): Watch [How to Photograph Your Art by Sketchbook Skool](#) (video and photos are not required.)

WEEK 7**Scavenger Hunt**

- Smell a flower
- Smell an herb
- Water a plant
- Touch something rough
- Touch something soft
- Chase a butterfly
- Pick a vegetable
- Make a pile of leaves
- Pick some weeds
- Locate a pollinator

WEEK 7

Learn offline: Engineering (STEM): Create 3D shapes such as cubes, prisms, & pyramids by connecting toothpicks (or straws) to common household snacks such as candy, marshmallows, berries, etc. Learn more at <https://www.geauxbreaux.com/stem/activity4>
If you build this, please take a photo of it and email it to suzannehardison@pickenscountyschools.org to post on our school's Facebook page. We could win a 3D printer for Hill City!

OR

Online learning: Watch the video, "How Does a Zipper Work?" on Design Squad Global at PBS Kids. <https://pbskids.org/designsquad/video/>

Student: _____ **Homeroom:** _____ **Parent/Guardian Signature:** _____ **Date:** _____

Music Tic-Tac-Toe

Each week, complete 2 activities! You can go across, up and down, or diagonal. Mark off the ones you complete. If you have questions, contact Ms. Wehunt!

<p>Write a song about what you are doing while at home.</p>	<p>Listen to a new song you have never heard before, and draw how it makes you feel.</p>	<p>Design and draw your own instrument. What instrument family or families would it belong to?</p>
<p>Use pots and pans to create a drum set! If you can't use them, find other objects around your house to play rhythms on!</p>	<p>If you have a computer, watch a Line Rider video on YouTube!</p>	<p>Dance to your favorite songs!</p>
<p>Sing your favorite song to your family! Tell them why it is your favorite song.</p>	<p>Watch a musical (a movie that has a lot of singing in it)!</p>	<p>If you have a computer, explore Chrome Music Lab and create your own song, rhythms, and more! https://musiclab.chromeexperiments.com/</p>
